Dear Board Members,

I am writing regarding the notice issued on September 22 advising homeowners that the Board meeting scheduled for Monday, September 28, 2026, had been canceled.

The notice did not provide a reason for the cancellation or indicate whether the meeting would be rescheduled.

As a member of the Board, I am requesting clarification regarding:

1. The reason the September 28 Board meeting was canceled;
2. Who made or authorized the decision to cancel the meeting; and
3. Whether the meeting will be rescheduled and, if so, when Board members can expect notice of the new date.

I believe Board members should have a clear understanding of decisions affecting scheduled Board meetings and that an appropriate record should be maintained regarding the reason for any cancellation.

Please provide this information to the Board.

Thank you,

Terry White
